

The diagram shows a vertical banner template with a blue border. Inside, there's a dashed line representing the trim line and a red line representing the bleed area. The top and bottom corners are rounded. The text 'BANNERSHOP.com.au' is at the top, followed by 'Easy, convenient, value for money'. Below that is the title 'Single Sided Bowhead Mini'. Three boxes explain the layout: 'SAFE AREA' (blue border), 'TRIM LINE' (dashed line), and 'BLEED AREA' (red border). At the bottom, there are technical specifications and a note.
